2012 SCHOLARSHIP AWARD WINNER ANNOUNCED

RACHEL BUTLER

William Bradford Colony in the State of Florida is very proud to announce that in only our third year of presenting a scholarship to a relative of a Bradford Colony member, we had five applications for the award. The applications were very competitive, but based on a point system, an award recipient was chosen.

The 2012 scholarship winner for the William Bradford Colony is Rachel Butler, daughter of Lara Butler, long-time LIFE member of the Bradford Colony and Rachel's sponsor for the scholarship. Rachel and her parents reside in Huntsville, Alabama and Rachel plans to attend Tulane University in the fall. Her goal for the future is to become a neuroscientist and study the human brain. Her ancestor on the Mayflower was William Brewster, of whom Rachel states she is "very proud". Bradford Colony wishes her great success in her future educational endeavors. Attached is Rachel's essay regarding her Mayflower great-great-plus grandfather.
